TOWN WARRANT

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Loudon on Tuesday, the 13th day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article No. 2 through Article No. 23, will be taken up at the second session of the Annual Town Meeting on Saturday, March 17th, 1984 at 9:00 A.M. Meeting to be held at the Country Hall, Mudgett Hill Road.

Article No. 3: To see if the Town will vote to allow a 2% discount on all property taxes paid within thirty days after presentation of the tax bill.

Article No. 4: To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year and to issue in the name and on the credit of the Town of Loudon negotiable notes therefore, said notes to be paid in 1984 from taxes collected during the current year.

Article No. 5: To see if the Town will vote to adopt an ordinance to prohibit the consumption of any alcoholic beverages on the beach, and adjacent Town owned land on the North side of Clough Pond Road, also to prohibit animals from this same area. Penalty for non-compliance to be not less than \$25.00 for each violation.

Article No. 6: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the Capital Reserve Fund of the Police Department as established at the 1982 Town Meeting.

SELECTMEN'S REPORT

During the past year, the property taxes were kept to a minimum, in spite of the rapid growth and increased demands on town services. In terms of population growth, most residents have heard that Loudon has experienced the second largest increase in New Hampshire since 1980, based on population percentage. The following chart, based on population growth in Merrimack County, and taken from U.S. Census data, is provided as a point of interest.

| TOWN | 1940 | 1950 | 1960 | 1970 | 1980 | 1983 |
|--------|------|------|------|------|------|------|
| Loudon | 920 | 1012 | 1194 | 1707 | 2439 | 2996 |

Loudon is indeed growing rapidly. With this fact in mind, the Selectmen fully supported the Loudon Planning Boards recommendation for both a Emergency Temporary Zoning/Planning Ordinance, and a Interim Growth Management Ordinance. We feel the Town must make an attempt to control, manage, and plan the future growth of Loudon, in order to provide the necessary services.

The 1984 Town Budget will show a minimal increase, with the Highway Department showing zero increase over 1983.

The Selectmen approved the building of offices for the Town Clerk and Tax Collector within the town garage facility, next to the selectmen's office. All comments from town residents regarding these new offices have been favorable.

We plan to initiate "twice" per year property tax billing during 1984. Tax bills will arrive about June 1st and November 1st. This action will allow for a needed cash flow, and save the Town between \$8,500 and \$10,000 in interest payments on borrowed money.

We elected to change the Town Insurance Company during this past year. We increased our coverage significantly, and reduced our premium by approximately \$3,000 dollars. The Town's new insurance agency is Meader and Co. Insurance, Inc.

The Selectmen retrieved an inactive town bank account titled the **Loudon Fair Association**. This account has been inactive since around 1956 and has approximately \$4,000. We recommend to apply this money toward future recreation facilities, located on land at the Symonds property. Regarding the Symonds property, the Selectmen tentatively plan to sell the buildings, and apply the money toward a Loudon Youth Community Center or other recreational facilities which will be located on the Symonds land. We welcome

any comments on this proposal at the 1984 Town Meeting. The Selectmen feel that the town residents made it absolutely clear at the 1983 Town Meeting that they did not want to retain the buildings at the Symonds property for Town use.

Although Loudon's population increased during the past year, various complaints to the Selectmen had a slight decrease. We appreciate the work of our Town Departments, Boards, and Commissions, and the civic contributions and cooperation of our Town residents. We hope that people have noticed and appreciate the fine looking street signs which have been erected at the end of each road. Our thanks and appreciation go to Arthur Colby who personally erected these signs with no labor cost to the Town.

HIGHWAY DEPARTMENT REPORT

In 1983 the Highway Department had three large projects in addition to our regular maintenance. The first being extensive ditch work on the Ridge Road, followed by grader shimming the road surface with 700 yards of cold patch, once this was completed the entire 5.3 miles of road was sealed.

Later in the year we started our Highway Block Grant projects on Lovejoy Road and the hill on Staniels Road. One Lovejoy Road the road was widened to the edge of the right-of-way from Oak Hill Road to Batchelder Road, and new culverts were installed. This year we will be adding gravel for the road bed to prepare it for a "Farmers Mix" top. The Staniels Road project consisted of cutting trees, widening the roadway, and hauling in approximately 1400 yards of gravel. It will be ready for "Farmers Mix" top this summer once the final base is put down and the slopes prepared.

Once again this year we added another 5000 yards of crushed gravel to our dirt roads which require approximately ten weeks per year to grade.

We also did 8 weeks of roadside mowing and brush cutting which was badly needed, and hope to do the same next year.

I would once again like to remind everyone if you have a question or problem regarding your road feel free to call me anytime.

KEVIN S. GULLAGE
Road Agent

LANDFILL REPORT

The Landfill is being used more every year due to the increased number of residents. This means that our refuse pits are filling up very rapidly. The one now in use should last another year and a half. Everyones cooperation in the proper sorting and placing of their refuse at the Landfill area will help extend the life of the area.

The hours of the Landfill operation are as follows:

Winter Hours:

December 1st to April 1st
Tuesday 9 AM to 5 PM
Saturday 8AM to 5PM

Summer Hours

April 1st to December 1st
Tuesday 9AM to 6PM
Saturday 8AM to 6PM

POLICE DEPARTMENT REPORT

This year your Police Department is introducing for your consideration one warrant article. This article pertains to the expenditure of money from the Capital Reserve Fund to purchase a new cruiser. This fund was established for the purpose of replacing the Police Department cruiser every two years. Our present vehicle is now three years old and has become undependable. We strive to set a high level of protection and assistance for you by constant patrols and property checks of all roads and areas some of which are not publicly open. In order to maintain the coverage and protection you as taxpayers deserve and depend on, we have to have reliable equipment.

As of April 1983 the Loudon Police Department has consisted of the Police Chief, two full time officers as well as two special officers. Our second full time officer has proven to be very effective and has enabled us to provide seven day, twenty-four hour protection.

In the future, we are planning on working with the American Legion in setting up a finger printing program for children as many towns and cities across the country have already done. Kidnapping is still on the rise in this country and our small town has no guarantee of immunity. Our children are our future.

In the past year our department has investigated 827 cases and has made 803 motor vehicle stops.

Our town is rapidly growing and with it come added problems. I would like to take this opportunity to express my appreciation to the Fire Department, Town and State Road Crews, Selectmen, State Police and Sheriff's Department for their unwavering assistance. Without their dedication and understanding we could not serve you as efficiently and completely.

Please remember we are your Police Department and here twenty-four hours a day to serve you. If you believe a crime has been or is about to be committed, call the Loudon Police Department at 228-1631. If you see a crime being committed call us immediately stating all information clearly. We depend on and appreciate your cooperation. We will once again in the coming year strive to serve you with the professionalism and integrity you deserve.

Respectfully,

ROBERT N. FISKE
Chief of Police

LOUDON VOLUNTEER FIRE DEPARTMENT

The members of the Loudon Fire Department have given countless hours of service to the community, not only in emergency responses, but also in the role of training and routine maintenance duties.

Fire Department members and Medical Squad members participate in regular scheduled department drills. In addition, New Hampshire law requires that minimum training levels be maintained by all Emergency Medical Personnel. Without this training our personnel cannot perform emergency service to the community.

Several motor vehicle accidents this year required the use of special extrication equipment to free the occupants. We have relied on other towns in the past to provide this equipment. An article requesting funds to purchase this type of equipment will be presented at town meeting.

We wish to thank the Loudon Fire Department Ladies Auxiliary for their support and assistance during the year.

In 1983 the Loudon Fire Department responded to 145 Emergency calls.

MAXFIELD PUBLIC LIBRARY TRUSTEES REPORT

The Maxfield Public Library has undergone many changes this year.

With the loss of “Peg” Buzzell the Town and Library lost a valuable asset and friend.

We were fortunate to hire a permanent and qualified librarian, Muriel Ingraham.

We would like to thank the people of Loudon for their patience and understanding during this period of transformation.

Repairs to the Library include a new bulkhead and painting of the exterior trim.

The Supervisors of the Checklist have used the Library several times during the year for their Sessions.

The Vision Hearing Program of New Hampshire Division of Public Health made use of the Library facilities.

The Trustees of Maxfield Public Library would like to express their sincere appreciation to the many folks for the gifts of books and magazines received this year.

REPORT OF THE PLANNING BOARD

The Loudon Planning Board members once again urge the town's citizens to be alert to the very rapid growth Loudon is experiencing. Growth is not out-of-hand, but every possible action should be taken to prevent detrimental growth. The Board's proposed steps follow the 1983 statistics.

1983 was the Board's busiest ever considering all aspects of its work. 61 new homes were approved plus 11 additions. The previous building permit high was 59 in 1978. 13 subdivision applications were approved, yielding a total of 38 new lots. 55 lots were approved in 1979 when the town didn't have the 5 lots per developer per year limit. Without that ordinance, 1983's total lots would undoubtedly have surpassed 1979's. 5 business permits were granted.

When we add the 7 year totals given in the 1982 Report, we find that in the last 8 years Loudon has allowed 334 new homes, 300 new lots and 66 new businesses.

As examples of the growth pressure upon us, the Board at its January, 1984, meeting had 2 large subdivision proposals brought before it. The smaller project would ultimately yield 23 lots while the larger acreage subdivision would offer 80 dwelling units, most of these in single home lots.

The Loudon **MASTER PLAN**, accepted in 1981, projected populations from a base of 2439 as per the 1980 census to 2701 in 1985 and 2962 in 1990. 1984 is here and we already have close to 3000 residents. The census revealed that Loudon's average household had 3.3 persons. If the **MASTER PLAN** projected population growth occurred, Loudon would have 818 dwelling units in 1985 - but the town has in 1984 close to 3000 residents and 900 dwelling units. In 4 years the number of households has actually increased 185 whereas the anticipated household growth in 5 years was projected at 103, 82 more households in the last 4 years. What do we have when we project this unexpected growth to 1990, assuming the 3.3 people per household? The total population would be 3840, projected to be 2960. The number of dwellings would be 1183, projected to be 897. That's 266 more homes. Homes and people require a variety of services - town services and school services. Needed additional services would place a greater financial burden on home-owners since Loudon's tax base is essentially limited to home-owner property taxes.

The Loudon Planning Board has voted to initiate 2 actions to attempt to meet the growth problems reasonably.

ACTION 1 - To urge the citizens to adopt the **Emergency Temporary Zoning and Planning Ordinances.**

The 1983 legislature passed Senate Bill 3, a pulling together and recoding of Planning and Zoning laws in an attempt to aid local governments to carry out their responsibilities in these areas without undue hardship. In this bill is RSA 674:24-29, the **Emergency Temporary Zoning and Planning Ordinances**, designed as a starter for local municipalities to be presented to each town's voters without change. The Loudon Planning Board members adopted it and will present it via the selectmen to the voters.

ACTION 2 - To urge the citizens to adopt the **Interim Growth Management Ordinances.**

In the same Senate Bill 3, RSA 674:23 allows the Planning Board, because of "unusual circumstances," to present to the voters via the selectmen, a temporary ordinance proposing steps to meet the possible local growth problems.

Basically, the ordinance proposes:

- a. the number of building permits per year be limited to 5% of the town's dwelling units;
- b. the number of permits per developer limited to 5 per year;
- c. 25% of the yearly total building permits reserved for landowners whose buildings shall be each one's place of residence. Unused permits will become available for general distribution the following January; and
- d. eligible lot size would increase to 3 acres with a 250' frontage.

The Board will be seeking townpeoples' assistance as we attempt to meet our growth problem. Board members want to express appreciation of the townspeoples' cooperation and of the secretary's services as the Board has worked to carry out its responsibilities.

The Board meets at 7:30 P.M. the third Thursday of each month in the Municipal Court Room, Loudon Village.

SUMMER RECREATION PROGRAM

The Loudon Summer Recreation Program completed its fifth year of operation with a continuing healthy enrollment of Loudon children. Approximately 50 children regularly attended the daily recreation program conducted at the Loudon Elementary School grounds. Daily activities included a well planned arts and crafts program, sports activities and tournaments, games and a daily special event.

Besides the morning program for younger children second through sixth grades; the afternoon program for youths sixth grade and up continues to prove popular. The older children actively participated in hiking and swimming trips, Pepsi Hot Shot Basketball and Jokari Tournaments, Bike Rodeos and the popular bus outings.

This year's two bus trips for families and/or their children were to Bear Brook State Park and Wallis Sands State Beach for a day of ocean swimming and picnicking.

Mr. Brian Bendiks continued to serve as the town's Summer Recreation Director for the fifth year. Mr. Bendiks knowledge of the children and fine leadership capabilities continues to provide stability for the program. Laurie Glum again served as Mr. Bendiks Assistant and provided capable leadership and a fine well rounded arts and crafts program for our children.

The summer recreation program has benefited in the past from the good will of many Loudon residents and merchants who have donated games, sports equipment, food for special events and other useful recreation supplies. Donations are always gratefully accepted and maybe made by contacting the selectmen or a member of the recreation committee.

The Recreation Committee would like to again thank the many parents who have offered their support as chaperones and aids at many of the program activities. The committee would also like to thank the selectmen and the people of Loudon for their continued support of this fine program and we look forward to providing another exciting summer of activity for the children of Loudon.

Special Note! The Recreation Committee is very much in need of some interested people to help plan these summer programs. The time involved is really minimal considering what is provided for our children. Won't you consider helping next year by contacting the selectmen or a member of the committee.

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc. continued to service Loudon for this past year. In the Home Care program service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals, (Homemaker/Home Health Aides, Health Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of terminal illness. The Health Promotion program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Loudon may request agency service-patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 9 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee may be appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association; Certified for Medicare and is a member agency of Community Health Care Association and United Way of Greater Concord.

Visits made during the year beginning October 1, 1982 to September 30, 1983 were:

| | <u>No. of Clients</u> | <u>Visits</u> |
|------------------|-----------------------|---------------|
| Home Care | 28 | 428 |
| Health Promotion | 38 | 138 |

NEW HAMPSHIRE HUMANE SOCIETY

The 1983 totals of the number of animals from the Town of Loudon brought to the New Hampshire Humane Society shelter are as follows:

By the Animal Control Officer:

| | |
|------------------------|----|
| Dogs and Puppies | 24 |
| Cats and Kittens | 9 |
| Total | 33 |

From Loudon Residents:

| | |
|------------------------|----|
| Dogs and Puppies | 5 |
| Cats and Kittens | 5 |
| Total | 10 |

| | |
|--|----|
| Total Number of Dogs, Pups, Cats, Kittens from the Town | 43 |
|--|----|

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1983. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442:A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Loudon, especially the Animal Control Officer, to use our services more in 1984.

Sincerely,

FRITZ T. SABBOW
Executive Director

LOUDON CONSERVATION COMMISSION

The Loudon Conservation Commission activities for 1983 included a film and lecture on conservation at the Loudon Elementary School resulting in a successful poster contest.

Work has begun on a nature and hiking trail on the Symonds property. Completion of which is anticipated this year. The Commission is anticipating sending one Loudon youth to the New Hampshire Youth Conservation Camp this summer.

VITAL STATISTICS**

Since the 1977 Legislature has enacted the laws that govern access to vital records it is recommended that we do not include items of a personal and confidential nature, therefore, I have used the guidelines suggested by the Registrar of Vital Records, in the preparation of these reports.
